

PRAYER ON BEHALF OF VICTIMS/SURVIVORS OF DOMESTIC ABUSE

Shma kolenu

Hear our voices

Shma kolenu

Listen to our anguish

Shma kolenu

Acknowledge our pain

May our homes be a harbor of safety

May our relationships be anchored in dignity and strength

Envelop us in a canopy of loving kindness

May today's sorrow be replaced by tomorrow's joy

These are our prayers for the New Year

Hear us,

Believe us,

Do not deny us.
